Thanks Allan.

Did you not receive the 308 modification letter?

Subject: May 2014 FGD Report

Sharon,

There were no shipments of treated FGD effluent from Merrimack Station in the month of May.

This report is responsive to the request in EPA's 308 letter dated November 8, 2013 to continue to provide information and analytical data generated from the FGD treatment process. PSNH continues our request for EPA to approve a quarterly reporting requirement rather than monthly, and to notify us of your decision as soon as possible.

Thank you, Allan.
